**Subject – Annual General Meeting 2020**

**10th March 2020**

**Dear Member / Shareholder**

The Annual General Meeting 2020 has been called for Friday 27<sup>th</sup> March at 7-30pm.

**THE BOARD REQUEST THAT ALL MEMBERS ATTEND AS THIS IS A  
PIVOTAL POINT IN THE CLUBS FUTURE.**

The March Club Newsletter will be released on the website together with hard copies in the pro shop at the same time as this notice.

The Board urge members to read the newsletter in order that they are made fully aware of exactly where we are up to with the course reconfiguration and Clubhouse refurbishments including the associated costs. The News Letter will be used as the Directors Report at the A.G.M and any questions arising from the information can be raised on the evening.

The results of the recent Members Survey have only just been released to Board Members by way of a presentation by Helen Searle from England Golf. The Board are still analysing the results which will be used to shape the future management of the Club. There will be a brief presentation covering the main points highlighted by the survey prior to the main AGM Agenda.

The Official Notice of the Annual General Meeting (Agenda) can be found on the web site under Members Section.

Copies are also available at the Clubhouse Office (Mon / Fri.)

Copies of the Accounts will be available at the office for a period of two weeks prior to the meeting.

Yours Sincerely

Company Secretary
