

# PRESTWICH GOLF CLUB

## Dress Code

Prestwich Golf Club is a friendly club with a relaxed atmosphere. We consider our dress code to be a sensible one- we are not a stuffy establishment so we have a policy of smart / casual wear in the clubhouse.

However we are a golf club and out of respect for visitors and members who enjoy the more established traditions of golf clubs we ask not to push the boundaries too far and wear smart casual clothing so that everyone can enjoy the course and the clubhouse facilities.

Smart jeans **are** permitted in the clubhouse **but not** on the course, putting green or practise areas.

### On the Course:

Please wear appropriate golf clothing (including sports socks and shoes) of a style and design that could readily be purchased in any professional golf retail outlet or as you see worn by golf professionals.

The following are not allowed on the course or in the clubhouse;

- Beach style shorts
- Hoodies
- Football or rugby shirts
- Tracksuits
- Cargo pants
- Vests / sleeveless tee shirts

### Off the Course:

Smart casual clothing to suit the occasion is the general rule.

We appreciate differing ideas of acceptable casual wear amongst members of a club with a vast range of ages and accept that on occasions there may be a clash of ideas regarding acceptable standards.

We ask that **all** members are tolerant but on the occasion where a member or visitor are seen to push the boundaries too far, a Director, the Golf Professional or senior member of the Bar Staff is empowered to advise the member accordingly and request that they do not wear that particular style of clothing again in the future or if they consider it completely unacceptable they may ask the member / visitor to leave the premises.

Please just be tolerant of all members' views on smart casual clothing.

Please note there maybe events where dress code will be relaxed or jacket & tie asked to be worn. This will be specified on the event poster.

Members are advised not to approach another member/visitor regarding his/her dress. Please report your concerns to a member of staff, Director or The Club Captain and they will deal with any issues,
